

Clemson
Elementary has
the heart of a
Champion.

Mission Statement

Our mission is to provide all students a foundation that inspires life-long learning, fosters positive self-concept, and promotes citizenship by providing meaningful learning experiences in a safe and nurturing environment through the combined efforts of the students, parents, staff, and community.

Counseling

Clemson Elementary School

It's All About Prevention and Intervention

Comprehensive developmental school counseling programs provide education, prevention and intervention services, which are integrated into all aspects of children's lives. Early identification and intervention of children's academic and social/emotional needs is essential in removing barriers to learning and in promoting academic achievement. The knowledge, attitudes and skills students acquire in the areas of academic, career and social development during these elementary years serve as the foundation for future success.

Who Can Help?

- ▶ **Parents**
 - ▶ **Administrators**
 - ▶ **Teachers**
 - ▶ **The Community**
- 

What is the program all about?

A comprehensive developmental school counseling program addresses the development of academic/ educational, career, personal/social skills and competencies based on important school data, and are provided for every student, as well as **school** personnel, families, and the community.

Who is Dr. Hays?

I am proud to serve the students, faculty, and families of Clemson Elementary School. This is my fourth year at Clemson and 24th year as a School Counselor. I believe all students can be successful and reach their full potential. The components of a School Counseling Program teaches all students to **Live, Learn, and Work!**

You can reach me at (864) 397-1504 or erikahays@pickens.k12.sc.us
